TOILET CUBICLES STAINLESS STEEL SYSTEM

The exemplary look and seamless functionality of the STAINLESS STEEL model have made it one of the most desired restroom cubicle solutions in UAE. Sleek design and amazing ease of maintenance is the hallmark of this model.

OAKBURL

TOILET CUBICLES NYLON SYSTEM

Nylon is another variant in which all the major accessories like top-rail, legs etc, are made of Nylon. Use of Nylon accessories makes the system light-weight and renders it suitable for places with low traffic and customers who are looking for an affordable yet full-featured restroom solution.

OAKBURL

TOILET CUBICLES FREE FALL CEILING SYSTEM

FREE FALL CEILING model attracts the attention of one and all through its marvelous design and light-weight appearance without compromising on strength and durability. Here, nothing sits on the floor and the entire weight of the cubicle is borne by the ceiling, supported by the box-up fixture.

OAKBURL

TOILET CUBICLES BOX TYPE

When the amience calls for elegance, the 12-18mm box type model is the perfect solution. Equipped with stainless steel made top rail arrangement, the model is a perfect blend of strength and aesthetics.

OAKBURL

TOILET CUBICLES SCHOOL COLLECTIONS

The tiny tots model is a premium model customized for children. It has specially designed doors and pilasters suited for smaller height making it highly accessible to children. With sleek stainless steel accessories, it gets a definite stable look and is easy to maintain.

OAKBURL

COMPACT LOCKERS

OAKBURL compact laminate made enclosures combined with state of the art hardware design gives you an extensive range of customized styles and sizes for your individual storage needs. Be it a changing room, library, gym, swimming pool or school, INDIANO lockers are the perfect fit for every application.

OAKBURL

URINAL PARTITION

The urinal partition made for men's restrooms are designed to ensure the privacy of users. Urinal partition is basically the separator between two adjacent urinals in men's restrooms.

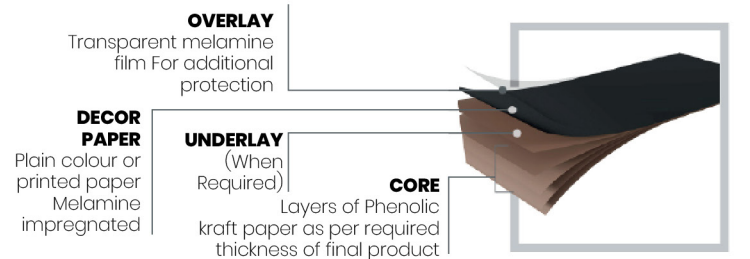

INDIANO COMPACT LAMINATE

In the world of interior design and construction, laminate comes first to enhance the aesthetics and functionality of interior spaces.

As a leading Laminate Manufacture in India, **Indiano Compact Laminate** is engaged in making products that are available in array of textures and shades. The compact laminates manufactured by us are an ideal choice for the following

- Toilet Cubicles
- Tabletops
- Door shelves
- Counters

The R&D team is highly dedicated for continues upgradation of technology as per the industry norms. Their endeavour has always been to bring out a combination of durability & style. With a vast variety of beautiful colours, unique performance features, exotic designs, we rest assured to manufacture and supply a wide range of laminates fitting your surface and style. Our superior technology makes our products everlasting among the contemporaries.
